Meet Mackenzie

I'm Mackenzie! Nice to meet you

I help women find their inner confidence by falling in love with their outer appearance.

Opening Udaya Salon was something unexpected. It was always a dream to have my own salon but I could not have imagined owning my own salon 3 years into my career.

When opening Udaya Salon, I knew it had to be different. It had to do for guests what it had done for me. Build confidence, connection and encourage authenticity.

When you have your first appointment, I will sit down with you and go over a detailed consultation. This allows me to make suggestions that are practical for your hair and lifestyle, as well as, set realistic expectations for the appointment. I am always honest with my guests about their goals and expectations to make sure we are on the same page before I even touch their hair.

When I am not in the salon, you'll find me with my amazing husband and 3 handsome little men. On my days off, I love dragging my family to little markets, community events or if the weather is nice, going for a walk down at the spit. Once my cup has been filled with family time, you'll find me watching Friends on repeat, sipping a caramel macchiato, or picking up a new hobby that I will perfect and then never touch again.

Pre-Visit

You'll receive an email reminder 72 hours before your visit and a text reminder 48 hours before your visit.

Have a question? You can reach me anytime at mackenzie@udayasalon.com and I will respond within 24 business hours.

Between Appointments

Keep an eye on my facebook and instagram page for service specials, local event updates and more!

Be My Guest

I will take my time navigating your first visit with me and all future appointments to ensure you get exactly what you need each visit without keeping you in my chair longer than you need to be.

I love to bake and I'm an essential oils enthusiast, so don't be surprised if I greet you with a plate of cookies or you notice a new blend running in the diffuser every time you come.
